

Portsmouth Badge award scheme

Badges for Portsmouth rounds are awarded for different scoring milestones.

Arrows are shot from 20 yards at a standard 60cm WA Indoor 10-zone face.

60 arrows for all bows. 3 per end.

Milestones are 300, 325, 350, 375, 400, 425, 450, 475, 500, 525, 550, 575, 580, 585, 590 and 595.

As archers earn each badge, the previous badge is usually returned to the records officer, but they can be kept for a small fee.

Three Gold End

This badge is earned just once – the first time you score **3 tens** in one end.

For **junior** archers the badge is awarded for **3 golds** in one end, (9's or 10's).

When you reach any of these milestones remember to add your name and the award to the sheet on the noticeboard.

To receive your badge, a qualifying scoresheet should be sent or given to the Records Officer.
