

Indoor Club Championship

- An indoor championship for club members only, will be run over the winter/spring period, during January, March and April. (Not in February due to unavailability of Bay House).
- A different round will be shot each month and scores submitted on the evening, preferably on paper scoresheets, but phone apps will be allowed, as long as the completed scoresheet is sent to gosport_bowmen.scores@outlook.com within 24 hours.
- A handicap system will be used, as a means of giving all archers equal opportunity.
- Each archer will start with a personal handicap, derived from the handicapping system devised by AGB. Where scores are available the average of the last three handicaps will be used.
- Any archer who has not yet submitted any scores and acquired a handicap, will be awarded a handicap of 100. (Good shooting will mean a reduced handicap!)
- Scores will be adjusted after scores are submitted, using the AGB allowance calculator. Different bow styles and age group/gender are taken into account automatically.
- An archer may shoot the round any number of times, and at any time during the designated period but it must be shot on a recognised shooting day at the club.
- Send / hand-in all of your scores! The best round shot by an archer during the designated period will be used.
- The handicap applied to any archer will be their handicap at the time the round is shot, and will be adjusted after each months shooting.
- Archers may enter scores in more than one bow category.
- Medals will be awarded for 3rd overall, 2nd overall and Champion, in Juniors, Women and Men.
- Rounds: January – Portsmouth, March – WA18, April – Worcester
- First shoot will be on January 7th.

Why participate?

- New to competition? This is the ideal way to dip your toes in.
- It's flexible: shoot as often as you like throughout each month of the championship.
- It's easy. Simply shoot, keep your score and submit it at the end of the evening.
- There are no entry fees and no extra travelling.
- Recognition: Scores will be announced just after the end of each month, and there will be an informal prize-giving after the championship is finished.
